Cover the global insurance needs of your employees through an international program – with congruent support and services from a single source.

Hassle-free business trips

Thanks to simple and efficient claims process, allowing your employees to focus on their professional mission abroad.

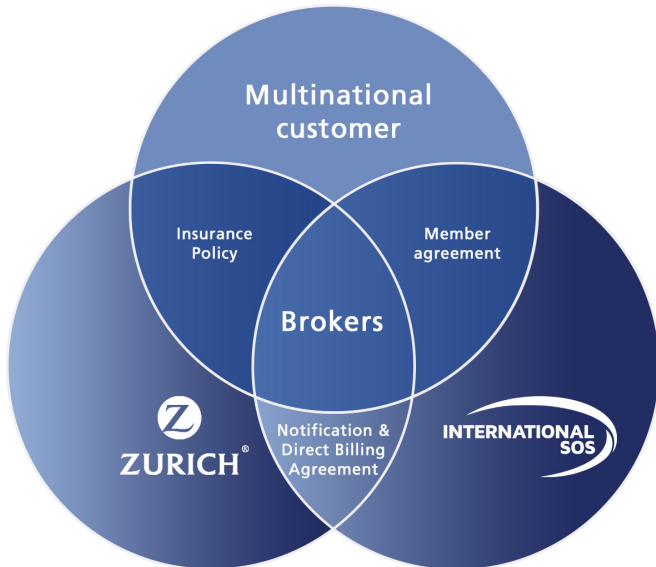

Cost management

Cost management efficiency by minimizing your financial risk and reducing your management and administration costs.

Individual insurance coverage combined with high-class assistance services

Contract structure

In addition to the insurance policy with Zurich, customers sign a member agreement with International SOS. As a result, the selected services of International SOS can be used independently from the insured benefits. Costs for insured medical cases are invoiced directly to Zurich.

The most important assistance services at a glance

- Country-specific health and security advice prior to a trip
- Medical and security advice
- Assistance in procuring travel documents
- Medical case management in the event of illness or accident
- Evacuation by appropriate means of transport
- Organization and distribution of medication
- Access to more than 200 International SOS security experts for prevention or in case of an emergency

By consciously making use of the prevention services of International SOS, you can actively reduce the risk for your employees. This may not only positively influence your insurance costs, but also employee satisfaction.

The most important insurance cover components

- Lump-sum death and disability benefits in the event of an accident
- Funeral expenses
- Overseas medical expenses in the event of illness or accident
- Medical evacuation and repatriation
- Search and rescue operations
- Ongoing medical expenses in the country of residence
- Repatriation of mortal remains
- Cancellation/annulment costs
- Comprehensive services in the event of interruption or termination of a trip
- Theft, damage and loss of luggage
- Rental vehicle collision damage deductible waiver
- Personal liability insurance during the business trip
- Legal protection in criminal proceedings

autoneum

«With Zurich and International SOS, we have found outstanding partners that support our employees all over the world in a competent and uncomplicated manner.»
