

Zurich Professional Indemnity Insurance IT & Telecommunication Service Providers

Information technology is constantly changing, and so are the risks for IT service providers. An industry that moves this fast needs flexible insurance solutions and a strong insurance partner.

Your benefits at a glance

- Global insurance coverage
- Broad scope of coverage
- Access to solutions and methods developed by the global Zurich Insurance Group
- Straightforward and competent support in the event of a loss

Who can benefit from Zurich Professional Indemnity Insurance?

All service providers in the information technology and telecommunications industry.

Liability claims against IT service providers are on the rise. With Zurich, you don't need to worry about damage claims threatening the future of your business. Our professional indemnity insurance provides extensive protection for you, your employees and your company.

Service range

The professional indemnity insurance for IT and telecommunication service providers covers financial loss, physical injury and property damage. It indemnifies parties who hold you liable for wrongful acts committed in the course of your work. It also defends you from unjustified claims.

Insured benefits

Coverage for statutory liability claims such as:

- Wrongful acts committed while providing a service or manufacturing a product
- Data loss, deletion or corruption
- Violation of data privacy regulations and individual privacy rights
- Breach of intellectual property rights
- Damage caused by malware, cyber attacks, phishing

Extension of cover

- Insurance coverage for gross negligence
- Loss prevention cost
- Assumption of costs associated with investigation procedures
- Assumption of privacy breach costs
- Participation in court proceedings
- Loss of documents
- Joint ventures
- Vicarious liability coverage
- Notification costs
- Losses on business trips
- Damage to leased telecommunications equipment
