Especially in these times of "too much" information, we were grateful for the needs-based and transparent advice we received from Zurich. That was exactly what we needed at that time.

Fabian Meier, Vee Partner GmbH

After concluding the UBS banking package, we received the insurance solutions we needed at attractive conditions – and all of it via a single platform. A great customer experience.

Which insurance do I really need?

We provide you with modular insurance solutions that are customized to your specific needs.

Insure people

Accident insurance (UVG)

As an employer, you are obligated to insure your employees and yourself against the consequences of accidents.

Supplementary accident insurance (UVG-Z)

Expanded protection as a supplement to mandatory accident insurance.

Insurance for daily sickness benefits (KTG)

Covers wage costs when employees are absent from work for longer periods due to illness.

Occupational retirement provision (BVG)

There are various ways for you and your employees to prepare for retirement later in life.

Insure a company

Commercial liability insurance

Accidents happen: If someone is harmed by your company or your employees, we can protect you against the financial consequences.

Property insurance

You can protect property such as inventory or office buildings against risks from fire, water, natural hazards, etc.

Legal protection insurance

Legal advice from our subsidiary ORION and coverage of costs in court proceedings.

Cyber insurance

Protect sensitive data properly, and don't stand alone in the event of a cyber attack.
