

Telephone advice on labor law

Exclusive service for employers with a Zurich Income Replacement Insurance due to Illness or Accident Insurance

Have you ever asked yourself any of the following questions?

- What am I supposed to do if employees are absent for a longer period of time?
- When can I terminate an employment contract and which blocking period do I have to observe?
- What am I supposed to do if I want to increase an employee's part-time workload?
- What am I supposed to do if employees are not satisfied with the job reference they have received?
- What do I have to consider as an employer regarding overtime?

As an employer, you not only have to understand your business but also manage employees. This is not always easy because labor law is very complex.

As a Zurich client, you can take advantage of Orion's free telephone advice on labor law.

The lawyers of Orion Legal Expenses Insurance Company Ltd will be happy to provide you with free legal advice.
