Optimum protection for young people

Zurich offers you many advantages – especially for young people up to 25. What's most important at a glance.

For your car

- No-claims bonus: after three years with no claims, you will receive 10% of your premium back.
- Your premium will be reduced each year up to your 25th birthday.
- We will reduce your deductible by CHF 500 after three years of no claims and after another three years by another CHF 500.

For your household

- 20% discount for all those up to 25¹.
- Elimination of the deductible after three years with no claims¹.
- Accidental damage insurance: the practical all-round protection for all electrical and sports equipment.

For your trip

- If you are unable to travel: We assume your cancellation costs, for instance for flights, hotel bookings, language stays or rental vehicles.
- While you travel: We are there for you with comprehensive services in case of health incidents, natural disasters and unrest, for example.
- Ticket costs for concerts and other events are also covered.

For your personal liability

- 30% discount for all those up to 25.
- Elimination of the deductible after three years with no claims.
- Drones up to 30 kg are automatically insured free of charge (our competitors usually require supplementary insurance).
