11 Notes on premium calculation and premium payment

How is the payable premium calculated?

The stated premiums are based on the information provided in your application and involve an insurance term of one year.

What applies for the premium payment?

The payable first premium is collected pro rate on the basis of the agreed insurance start date and the premium due date. The renewal premiums are due each year on January 1.

14 Final confirmation and signature

The policyholder declares that he has answered the questions contained in this document to the best of his knowledge and belief. He further confirms the correctness of the stated risk situation. He undertakes to notify Zurich of any changes that take place before definitive insurance coverage begins. This application shall be binding upon the undersigned for a period of 14 days. The undersigned agrees to accept the policy prepared in accordance with the application and to pay the premium. He confirms receipt of the statutory information (Article 3, LIC) and the applicable terms of insurance. The policyholder shall hereby authorize Zurich to process data arising from the contractual documents or handling of the contract. This authorization particularly includes the physical or electronic storage of data, the use of the data in order to calculate the premium, the clarification of risk, the processing of insurance claims, statistical analysis and marketing purposes. To the extent necessary, Zurich may forward data for processing to third parties in Switzerland and abroad who are involved in the administration of the contract, in particular to co-insurers and reinsurers, as well as to domestic and foreign companies belonging to Zurich Insurance Group Ltd.

If a broker or agent is acting for the policyholder, Zurich is authorized to disclose customer data to that individual, such as data on the processing of the policy, collection and insured events. In addition, Zurich shall be authorized to obtain relevant information from public authorities and other third parties, in particular information with respect to claims history. Zurich has the right to obtain from the authorities and information services information concerning the payment behavior of the policyholder. This authorization is valid regardless of whether the contract is concluded. The policyholders have the right to request that Zurich provide information envisaged under legislation with regard to the processing of data pertaining to them.
